LOFT GAINS LEVEL C CERTIFICATION OF CJ1 FLIGHT SIMULATOR

The National Simulator Program awarded Flight Crew Systems, Inc., dba LOFT Level C certification of their CitationJet1 (Model CE-525) full flight simulator under the new FAA CFR Part 60.

The Level C CJ1 flight simulator is housed in LOFT Flight Training Center in Carlsbad, California. The addition of the newly certified CJ1 simulator will diversify the course offerings and propel the company into the simulator-based training field. LOFT intends to unveil new proprietary course materials in conjunction with the CJ1 simulator courses. LOFT's mission is to provide the highest quality CitationJet training at competitive prices.
